

Warranty Clauses

Warranties may vary from one country to another. Please check with your closest authorized dealer for details.

THESE CLAUSES ONLY APPLY TO MODELS MANUFACTURED AFTER 2009.

THESE WARRANTIES ARE VALID FOR DOMESTIC USE ONLY.

LIMITED LIFETIME WARRANTY

Your Cyclo Vac vacuum system is protected by a lifetime warranty. We guarantee that the unit canister will be exempt of any material or manufacturing defect. This warranty is valid from the date of purchase, for as long as you are the original owner, and the system remains at its original place of installation. This warranty covers the body and dust receptacle of the unit and is not transferable.

The motors and electrical components are entirely guaranteed for a period of 10 years for series E, GS & H; and for a period of 15 years or 750 hours of use for series DL, GX & HX. For the Constructor model, they are covered at 100% for a period of 5 years and at 50% for an additional 5 years. Our authorized service center will repair or replace (at Cyclo Vac's discretion) the defective part or parts, free of labor costs, for a period of 2 to 5 years (see below).

In order to maintain your warranty, all repairs must be made by an authorized Cyclo Vac service center, with original Cyclo Vac or Trovac parts. Failure to do so could void the warranty.

This warranty excludes normal wear and tear of certain parts such as filters, damages caused (according to Cyclo Vac) by abusive use (ex. : drywall dust, water, etc.), commercial use, lack of appropriate maintenance, inadequate installation, negligence, natural disasters, accidents, and acts of God.

WARRANTY EXTENSION - THE 25 YEAR WARRANTY

If you purchased the Cyclo Vac warranty extension, the motor and electrical components of your unit are entirely guaranteed for a period of 25 years. Labor costs, however, are only covered by the original warranty, for a period of 2 to 5 years in America, or 3 years in Europe and other continents.

The warranty extension is subject to the same terms and conditions as the regular Cyclo Vac warranty. It is valid for domestic use only and Cyclo Vac reserves the right to send a technician to verify the installation location in case of doubt. This warranty extension is not transferable.

Make sure to keep the warranty extension certificate and all payment records. We encourage you to register your warranty online at cyclovac.com. Both invoices for the vacuum unit and the warranty extension may be required for any claim.

ONE YEAR SATISFACTION GUARANTEE*

We are certain you'll be completely satisfied with your Cyclo Vac central vacuum system. For one year following the date of purchase, if the performance of the vacuum unit does not meet your expectations, return it to your local Cyclo Vac service center for a credit towards the purchase of a more powerful Cyclo Vac model. This warranty applies to the vacuum power unit only, and to vacuum units purchased at a Cyclo Vac authorized dealer (not applicable on online purchases).

*Applies in North America only.

Transportation fees and service calls are excluded. The dealer may charge for in home service. This warranty is non transferable.
